

## Setting up Application Environment

### Create Sendgrid Account

**Step 1.** Navigate to <https://sendgrid.com>

**Step 2.** Click on “Start for free” and register yourselves by entering required details and click on create account

**Step 3.** Further fill all required details in next page and click on get started as shown below

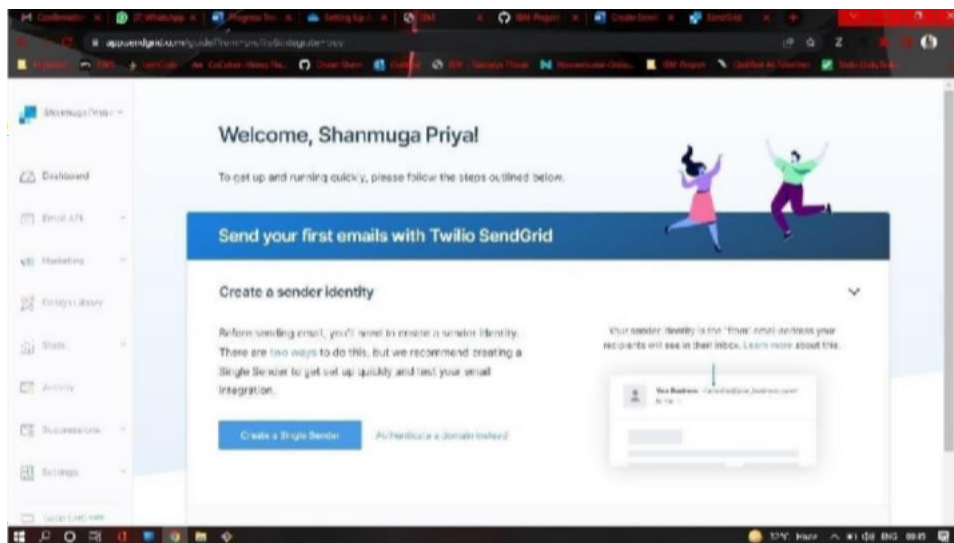

The screenshot shows the 'Tell Us About Yourself' page on the SendGrid website. The page includes a header with the SendGrid logo and a sub-header stating 'This information will help us serve you better.' The form contains several fields: 'First Name' (filled with 'yashkumar'), 'Email' (filled with 'yashkumar@gmail.com'), 'Company Name' (filled with 'Vishwanath college of engineering'), and 'Company Website' (filled with 'vishwanathcollegeofengineering.com'). There are also dropdown menus for 'Country Code' (set to '+91') and 'Phone Number' (set to '9896168421'). A section titled 'What is your role?' has radio buttons for 'Developer' (selected), 'Marketer', 'CEO', and 'Other'. Another section titled 'How many emails do you send per month?' has radio buttons for '0 to 100,000' (selected), '100,000 to 700,000', '700,000 to 1,500,000', '1,500,000 to 10,000,000', '10,000,000 to 50,000,000', '50,000,000 to 100,000,000', and '100,000,000+'. A 'Get Started' button is located at the bottom right of the form.

This screenshot shows a closer view of the 'What is your role?' and 'How many emails do you send per month?' sections of the SendGrid account setup page. The 'What is your role?' section has radio buttons for 'Developer' (selected), 'Marketer', 'CEO', and 'Other'. The 'How many emails do you send per month?' section has radio buttons for '0 to 100,000' (selected), '100,000 to 700,000', '700,000 to 1,500,000', '1,500,000 to 10,000,000', '10,000,000 to 50,000,000', '50,000,000 to 100,000,000', and '100,000,000+'. A 'Get Started' button is visible at the bottom of the form.

**Step 4.** That's it you have created your SendGrid account and got access to dashboard

**Output:**

Send Grid account created successfully.
